**NEW PRICING**

At Celemetrix, delivering superior customer satisfaction is at the very forefront of what we do. That is why we aim to continually provide you with exceptional customer service and outstanding value

Earlier this year, Celemetrix lowered the pricing on our range of next generation Fluke Networks products. We believe that these prices are extremely competitive and we remain committed to ensuring that we continue to provide you with superior value wherever possible, to reflect our dedication to delivering outstanding customer satisfaction. We would like to take this opportunity to thank our valued customers for all of your ongoing support this year and we look forward to working again with you in 2018.

For more information regarding our service capabilities and pricing, we encourage you to contact our friendly Customer Service team at Celemetrix on **1800 256 838**.
